2019 Summer Rendezvous

This is a Special Edition of the Deep Six to bring you information about our upcoming Rendezvous and the Tall Ship Festival in Brockville, Canada.

This is a World Class Entertainment opportunity for us and I hope you all will be able to attend. See you there.

- Nancy
Commander, D/6

Rendezvous 2019: The Tall Ships Are Coming! The Tall Ships Are Coming!

By Ron Bieber

By now you have been to the Tall Ship Festival in Buffalo and I hope those in attendance found it as amazing as I find the Tall Ships to be. The next Tall Ship Festival will be in Brockville, Canada from August 30th through September 1st and is being held in conjunction with this summer's District 6 Rendezvous.

The rendezvous is from August 29th through August 31st and will be held in the Thousand Island area. We will kick off the event by piloting our own electric powered Bumper Boat, bumping into and squirting fellow members with our own water gun! Watch out for the fountain too. Bathing suits are not required, but you will get wet, not soaked. Don't miss this opportunity to let loose and laugh with your friends. Then continue the fun with a picnic dinner at Ron Bieber's place in the 1000 Island Trailer Park followed by a campfire. Ring along a folding chair if possible.

We have an exciting canoe ride planned for Friday morning, August 30th from 9-11 AM. It's being held at the Minna Anthony Nature Center located in Wellesley Island State Park. For those of you 65 or over, just show your driver's license for free entry into the park. We will all be in a 36-foot-long canoe and will paddle through Eel Bay as a park naturalist gives us the history of how the river was formed and the ecology of the region. The canoe is large, stable, and easy to embark and disembark from the dock. Rangers will help those in need. And, of course, you do not have to paddle all of the time as there are fifteen other passengers who can

keep us moving. Life jackets are provided. As the number of passengers is limited, the first 16 to register will be accommodated.

The fun continues on Friday when we go to Brockville for the Tall Ship Festival. This rendezvous is not all fun and games, you know, as some of us will be expected to work a shift at the Festival. The shifts are three and a half hours long and that entitles you to free entry into the festival plus you'll get a T-shirt to prove it. One of the highlights is the Parade of Sail which occurs at approximately 4:00 PM that afternoon. A copy of the activities and schedule follows. We will be having a booth to share information about America's Boating Club with the public and it will be located on Block Island. So, if you happen to be working the booth at the time of the Parade, you will have an up-close view of the festivities. For detailed information about the Festival including a schedule of events go to:

www.tallshipsbrockville.com/timeline/

There will be other booths and activities, including food vendors, for our use both Friday and Saturday. The "Red Hot and Blue Rockabilly Weekend" will be located right next to the Tall Ship Festival offering you the opportunity to visit the music festival on your own.

We will be the Ambassadors for the Canadian Coast Guard frigate that will be in attendance. Our role will be to assist the Coast Guard members in any way we can while they are off board. We also may be asked to help organize trips on

the Canadian Naval small boats. They also have a Tall Ship in their fleet that will be at the event. Among numerous Tall Ships, a replica of Christopher Columbus's Nao Santa Maria will also be there for our entertainment.

On Saturday, the public is allowed to board the Tall Ships for a tour, and we will be assisting with that in some manner. The ships are docked in two separate areas of Brockville within walking distance for most folks. There will be golf cart shuttles provided between sites for attendees to ride and driving the golf carts is one of the ways on which we may be assisting both Friday and Saturday. We also may be asked to provide crowd control or stamp "Tall Ship Passports" as the public boards the individual vessels. Saturday evening, we will return to Alexandria Bay for a Prime Rib Buffet at Edgewood Resort.

If you are planning on arriving by boat, be aware that there is very limited dockage space as the Tall Ships use most of it. There is public dockage at the privately-owned Tall Ship Marina, or you can try to reach the Brockville Yacht Club. Reservations need to be made

ASAP as they fill up fast when the festival is in town. Also, please make your room reservations on your own at one of many available in Brockville, Canada or Alexandria Bay, NY. The Bridgeview Motel in Alexandria Bay is the closest to the Bridge to Canada. It's family owned, clean, and has reasonable rates. Once you are through Canadian Customs, it is about a half-hour ride to Brockville. When crossing into Canada, you will need either a passport or an enhanced license. Also, DO NOT tell them you are "working" at the Festival as they will send you to immigration for a work visa. Just tell them you are attending.

Please complete the Reservation Form and return to Linda Rought by August 14th, 2019. For any additional information, please contact Nancy Bieber at 518-813-7888 or email at:
